OVERCOMING

JULY 14 - 28

We have some amazing stories to share of some of our own along with some special guest speakers! Join us in person at Gateway each week or online if you are out of town each week. Invite your friends and family as well! It will be a great month!

Work through the following questions and scriptures on your own, and get together with your running partner, life group, or friends and family to talk through what you are learning.

4. What challenged you?
5. What is your next step to apply what you heard?
6. Is there someone you feel prompted to share with, about what you've learned from the message?
